

Modular ABC Lockers

In keeping with today's modular sizes of safe deposit nests, lockers have "downsized" to "fit-in" and are sized as follows:

- A 32 1/4" H x 16 1/2" W x 24" D
- B 21 1/8"H x 16 1/2" W x 24" D
- C 11" H x 16 1/2" W x 24" D

These modular lockers maintain all the features of traditional ABC lockers, except the "C" lockers have single nose locks. Modular ABC lockers may be combined and nested together in a 32 5/8" wide nest as follows:

- ML-2-11 2-"C" Lockers
- ML-2-22 2-"B" Lockers
- ML-2-33 2-"A" Lockers
- ML-3-33 1-"A" Locker, 1-"B" Locker, 1-"C" Locker
- ML-4-22 4-"C" Lockers
