National Security from VSI

Standard Sizes

The National Series safe deposit boxes, incorporate the most desired sizes and features in today's marketplace.

Standard sizes are 16" or 22H x 32 1/2" W x 24" D. Boxes designed for hotel front desk areas and other commercial uses are available in various configurations that may be customized to fit your needs.

Secure Construction

Built of heavy 16 gauge steel with all welded construction. Engineered for exceptional strength and visual appeal, the black painted steel cases feature 1/4" nosing with self aligning plate for ease of installation.

Doors

Polished solid alloy.

Bond Boxes

Heavy duty metal bond boxes. The opening is three quarter length with a hasp fastener

Hinge System

Bronze colored metal with Safe-T feature to insure that if hinges are removed by force, the door will not open.

Locks

Standard double little nose are standard. Optional key changeable locks and self service locks are available. Standard lock nose finish is bronze color. Optional nickel is available.

Numbering System

Standard numbering system with silver colored number plate. The numbers are black on a gold background. Optional stamped embossed number in the doors is available.

Options

Optional stamped embossed number in the doors, stamped numbers on keys and custom nests.

Installation

The National Series in standard sizes are available for quick delivery.
