

Easy Accessibility

Access all safe deposit boxes, even those located above eye level with this easy rolling, yet secure step stool.

The bumpers protect lower safe deposit boxes from damage, while providing easy accessibility to upper boxes. The weight activated casters make for a secure step to access contents, with a comfortable step rise of 9" and secure non-slip tread area of 8". Taking up less than 400 inches of floor space, this stool provides easy, safe accessibility to all safe deposit boxes.

Step Stool
