

Versatility

Standard safes range in size from 26" high to 74" high. Special sizes are available to meet any customer needs. Options include special VSI locking configurations, adjustable or fixed shelves, decorative panels, depository configurations and special interiors. Standard colors are beige, black and tan. Special colors are available to match submitted paint samples.

Secure Construction

The TL15 from VSI is Underwriters Laboratory listed and constructed of 1" steel with a 1" steel door. Group 2 combination locks are standard.

Installation

Safes are shipped crated and normally require professional installation. Safes weighing less than 750 lbs. must be fastened to the floor.

Depositories with Head/Chest and Interiors
